### There are many ways to PRAY!!

Remember that prayer is direct communication with GOD!

GOD always answers your prayers!  
But sometimes the answer isn't what you expect...

The greatest inventors of our day were veracious readers!

Prayer does not change GOD but it changes those who pray.

Prayer is where the action is!

In prayer it is better to have a heart without words than words without a heart!

"If you only Pray when you're in TROUBLE... you're in trouble."
