

Dear Parent,

Your child took part in a program with educational entertainer Brian Richards called, "Bulldoze the BULLY". In an effort to make this program "educationally significant" we have sent this letter home with follow-up activities.

The main points that were discussed were as follows:

Confidence Is Your Best Defense!

Take A Stand...Don't Join In!

Tell An Adult...Silence Is Not Golden!

The simple activities included help to reinforce the important messages already shared during the program and reviewed in the classroom. If you would like more information about our presenter and the program he presented please feel free to visit his website at:

Thanks for your support and commitment to making sure our kids understand that bullying is never OK!

Sincerely,

Brian Richards
