

Presentation Worksheet

CURRENT ROUTINE:

Part 1 - Routine Design

What are the main subjects or topics of the routine?

What happens during the routine? What is my motivation...why would a person do this?

How can the routine be personalized? What is the essence of the routine and what will people remember or learn from the experience?

What does the volunteer do during the routine? Are they part of the experience? What are their actions, can you enhance the experience, make it more significant?

What opportunities are there for customization of the routine to client?

Other possible names for routine:

Jokes for each topic in effect:

Music & Sound Effects:

Part 2 - Routine Expansion

Does the group have a logo, product or other item that can be used in a routine...as a magic wand, to vanish, appear etc.

What rules can we break? Can the method or props be altered & used in a new and different way?

What if???

What other effects could be used in conjunction with this effect?

What other methods can be used to achieve the same effect?
