The Power of Knowing What You Don't Want

Attitude Adjustment

And how Christ can help you along the way...

BRIAN RICHARDS is the owner of 4 Ace Productions a company that shares educational assembly programs throughout the midwest. This program Igniting Your Potential can't guarantee success for middle school students but it does guarantee a great foundation on which to build.

Reviewer Susan Shaver of Middleweb.com had this to say about his book, "The uniqueness of the triangle and the visual representation of it's three key secrets of success are memorable. Even adults may reflect on the value of many ignition points in this book!"
