

Come join Educational entertainer, Brian Richards, for his fun and interactive program...THE MAGIC OF COOPERATION!

Brian Richards
Educational Entertainer

“Our program is composed of children in kindergarten through 6th grade and Brian performs brilliantly for all the age levels simultaneously. He maintains the interest and excitement of the older children while dazzling and entertaining the younger children. Brian recently performed his show on “conflict resolution” at our center and we were very impressed! He initially stated the main concepts he wanted the children to learn, reinforced those concepts during the show, and reviewed those concepts at the shows conclusion. The children learned some valuable skills in a safe and objective environment-and they had a GREAT time! I know we will be having Brian back again and again-He’s fantastic!”

-Dianne Sorensen, Orono Public Schools

“The Magic of Cooperation!” is an entertaining program featuring an educational theme surrounded by humor, magic, puppetry, music, and tons of audience participation. Brian’s goal is simple to teach while getting children to associate FUN with the process!

Brian has been a professional entertainer for over 25 years and has worked with children his whole professional life. His first job out of college was as a childcare counselor at St. Joseph’s home for children. He followed that with 12 years as an education director for a local Twin Cities church.

Brian knows how to connect with children. So come join us for a fun event with one of the most kid experienced performers in Minnesota!!
