

## **THE MAGIC OF FAITH DISCUSSION SHEET**

I hope you enjoyed my presentation regarding, "A Thankful Heart". Below are some follow-up questions and activities to help reinforce the 3 main themes of my program. The themes are as follows:

1. We Are Thankful for Family & Friends.
2. We Are Thankful for Our Good Health and the Health of others!
3. We Are Thankful for each of our gifts and talents!

A. Take some time and discuss how you can show that you are THANKFUL to others.

B. What actions can we take to maintain our health and the health of others?

C. Play a game of Blindfold walk. This is where the kids break up into teams of two. One puts on a blindfold while their partner plays their guide. It is a game of trust easily related to the importance of people in our lives who support us.

D. What does it mean to BE THANKFUL? How does one show that they are THANKFUL?

E. What special programs can you participate in at your school to give back to your community?

F. Take some time to consider what programs the class can participate in.

G. Often times we take things for granted? How do we live an "attitude of gratitude"?
