

Come join Educational entertainer, Brian Richards, for his fun and interactive program...**MAKING IT ALL ADD UP!**

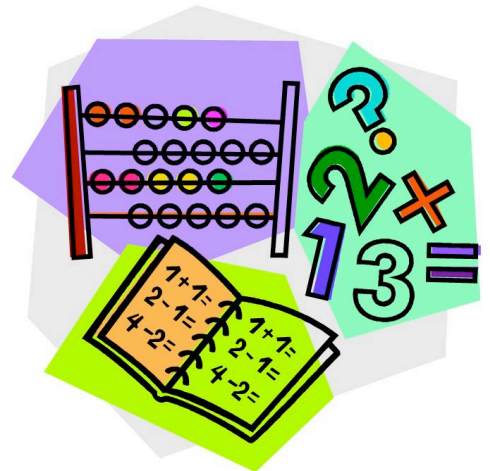

“Making It All Add UP!” is an entertaining program featuring a mathematical theme surrounded by humor, magic, and tons of audience participation. Brian’s goal is simple, to teach while getting children to associate FUN with MATH!

Brian has been a professional entertainer for over 25 years and has worked with children his whole professional life. His first job out of college was as a childcare counselor at St. Joseph’s home for children. He followed that with 12 years as an education director for a local Twin Cities church.

Brian knows how to connect with children. So come join us for a fun event with one of the most

“Brian Richards does an amazing integration of fun and learning. The students absorbed so much and weren’t even aware they were learning. I really like the repetition of ideas.”
