D.A.R.E. program**

"Making It All Add UP!" is an entertaining program featuring a mathematical theme surrounded by humor, magic, and tons of audience participation. Brian's goal is simple, to teach while getting children to associate FUN with MATH!

Brian has been a professional entertainer for over 25 years and has worked with children his whole professional life. His first job out of college was as a childcare counselor at St. Joseph's home for children. He followed that with 12 years as an education director for a local Twin Cities church.

Brian knows how to connect with children. So come join us for a fun event with one of the most kid experienced performers in Minnesota!!
