

**Come join Educational entertainer,  
Brian Richards, as he shares his fun and  
interactive program...A THANKFUL HEART!**

“As one of those brought on stage to help you with your act, I can certainly say that I thoroughly enjoyed your performance. I was impressed by both your “magic” ability and the rapport that you obviously had with the audience; your interaction with the children showed a real respect and a genuine liking for them too!! What comes from the heart touches the heart. I admire yours. Thanks again.”
