

"You added the perfect MAGIC TOUCH to our evening!"

Brian Richards Educational Impact!

"Was the show enjoyable? One boy in my class who said he doesn't like magic said he loved the show. The 3 points you shared in the MAGIC OF COOPERATION were heard, in fact we had the opportunity to use your ideas to deal with a situation in class! The message was clear without being preachy-the kids were engaged!" -Michelle Butler, Hope Community Academy

"THE HIGHLIGHT OF MANY OF OUR EVENTS"

"Everyone loved 'Dare To Be YOU'. The pacing was excellent...no down time. Your program is very focused and entertaining! It was a real pleasure having you at Edinbrook Elementary."

-Dawn Dahlberg, Edinbrook Elementary

"Brian brought entertainment to an educational topic that kids tend to tune out. Brian grabbed the students attention with his magic and instilled the negative effects of drugs...excellent!"
**-Richard Bjerklie
Principal - Wilton
Elementary N.D.**

"What a great job of mixing math and magic! I received many compliments on 'Making It All Add Up' and you did a great job of keeping the students engaged. We really appreciate your talents and help in making Family Math Night a real SUCCESS! It was a pleasure working with you."

**-Tracey Dalve,
McKinley PTO**

"ALWAYS PACKS THE ROOM!"

"Brian came during our I Love To Read month activities. He did a great job on exciting the kids about magic but also reinforcing how important reading is! There was audience participation and good crowd control!" -Kirsten Chryst, East Central School Finlayson, MN.

"Thank-you for your tremendous performance at our Literacy Intervention Family Night. We've had a great response from parents/kids who attended, and were amazed that even in the inclement weather, so many families trekked out into the sleet and snow to make it. Thanks for making our family night a SUCCESS!"

-Sandra Riehl, Sweeney El.

"You are HILARIOUS!!"
