“Each of my assemblies promises to empower students to instill hope through fun, interaction and important educational messages!”

-Brian Richards

Empowering messages you can share with students each day:

#1 TODAY is a NEW day what can you do with it?

#2 FAILURE doesn't define you it teaches you!

#3 Success means caring more than anyone else does!

#4 We can all learn from each other so be present to one another!

#4 There's nothing you can't do, if you have the desire! Believe in yourself and others!

#5 You are not ALONE!

#6 I BELIEVE IN YOU!
