Brian Richards has delighted elementary audiences for over 25 years. By using magic, humor and audience participation Brian brings home the message with IMPACT! Students get excited about these programs and the final result is they take the message to heart.

Brian has 5 popular programs but often customizes presentations to deliver a schools individual message for it's students. In addition to his popular assemblies, Brian is also the author of 3 books including Magical Connections which is a resource for teachers on how to use simple magic tricks and strategies in their lesson plans to captivate students.

A busy performer, Brian shares over 275 programs a year and covers schools in a five state area!

"They truly loved the program... the pacing was excellent, NO DOWN TIME! All I can say is the message was focused and entertaining!"

-Dawn Dahlberg, Edinbrook Elementary
